

**Groove Dance Competition is
February 16th-18th
at East Haven High School, 35 Wheelbarrow Lane, East Haven, CT 06513.**

Please remember that all dancers are required to be in ALL of their dance classes the week before a competition.

If you experience an injury or illness, please email MissNicole@thedancecorner.com or call the Dance Corner 860-663-3738 immediately to let someone know.

Below is a schedule of when each solo or duet is scheduled to **PERFORM**. All must be at the venue, hair done and make up on, in costume and ready to dance 90 minutes before their scheduled performance time. We were told by the competition that they will most likely be running ahead of schedule to keep the evenings from running too late. So please be prepared for them to keep things moving.

Often the competitions run ahead of schedule, so please be there early. Also, last year the parking took longer than many anticipated so please allow extra time to park. A member of The Dance Corner Staff will be there to support your dancer, but our teaching staff will be spread over the weekend, so your dancer's instructor may not be present at your performance time. No matter what, your dancer will have a friendly face there from the TDC Team to support them!

Please remember that PHOTOGRAPHY AND VIDEO OF ANY KIND IS PROHIBITED IN THE PERFORMANCE AREA. Our entire studio could be disqualified if any member of the team, their family or guest is caught taking pictures or filming during the competition. Please respect these rules. Photos are allowed during the awards ceremony.

Dancers are not required to stay for the awards ceremonies, but it can be a lot of fun to get up onstage and receive your medals from the judges. If you do not stay for the awards, we can't guarantee you will receive your trophy or medals. Competitions are not always organized about getting those items to dancers who miss the awards ceremony. We recommend all dancers stay for their solo/ duo awards ceremony or ask a friend who is staying to stand up and receive your awards for you.

Dancers generally change out of their costumes into sweats or warm-ups for the awards ceremony. All dancers are expected to wear their Dance Corner team jacket onstage during awards ceremonies. You will be sitting on the stage floor and don't want to get your costume dirty, so if you have time to change, please do. When receiving medals or trophies please remember to say "Thank you" to the competition representative handing them out. If you are asked to announce your studio name, please shout it loud and proud, "THE DANCE CORNER!"

See you there!
