Social Media Agreement

I, _____ (print name), a Member of The Dance Corner's Class Assistant team, agree on this _____ day of _____, 2024 that I have read and agree that the use of Facebook, Instagram, Twitter, Snapchat, TikTok, and any other online social media vehicles is commonplace. This policy is intended to provide our Class Assistant members with guidelines to eliminate any confusion concerning the use of social media. The lines between being a Class Assistant and your personal life can often become blurred. In general, what you do on your own time is a personal decision, however, activities in or outside of assisting that affect or compromise your Class Assistant responsibilities, image, or The Dance Corner's business interests are a proper focus for The Dance Corner's social media policy. Being able to share your personal activities, events, and news and those of The Dance Corner without prior director approval means that The Dance Corner trusts that you understand and accept the fact that you are a mentor, and leader to your fellow students. Be careful and thoughtful about how you present yourself in online social networks. You may have identified yourself as a Dance Corner Class Assistant or listed The Dance Corner as your place of work or study, either directly or as part of a user profile. If so, ensure that your profile and related content are consistent with how you wish to present yourself to The Dance Corner's students, their parents, as well as the faculty. Class Assistants are not allowed to post inappropriate photos, statuses, and comments that directly and negatively impact the way parents, students, and Faculty perceive you. If you are unsure if a post is appropriate or not, please ask prior to making it socially accessible. Class Assistants should assume that their posts will be seen and read by fellow students, parents, and faculty.

Keep in mind the following when considering whether to share information on any social media vehicle:

- You do not have permission to reveal any information that compromises The Dance Corner. By that we mean that you are forbidden to share personal information about the faculty, your students or their families, your fellow Class Assistant Members, or anything that is proprietary and/or confidential to them or The Dance Corner.
- Class Assistants should neither claim nor imply that they are speaking on behalf of The Dance Corner.
- Never post anything that could compromise the self-esteem of your students. If you have a bad class on a particular day, do not post that information on your Facebook page. It could hurt your students, and that is the opposite of everything that The Dance Corner stands for.
- Use common sense! Refrain from posting items that could reflect negatively on you or The Dance Corner, including comments or other posts about drug or alcohol abuse, profanity, off-color or sexual humor, and other inappropriate conduct. Don't use ethnic slurs, personal insults, or obscenities. Do not pose or show off any part of your body that you would not want your own parents seeing.
- Respect the law, including those laws governing defamation, discrimination, harassment, and copyright and fair use. Class Assistants should never post negative comments about other students, schools or teachers. Also, do not post negative comments about school activities such as competitions, conventions, and performances or about the directors of those events.
- Show proper respect for people's privacy and for topics that may be considered objectionable or inflammatory, like politics and religion.
- Make sure that your online activities do not interfere with your Class Assistant responsibilities.
- Class Assistants are not allowed to have their own students as "friends" on Facebook or any other form of social media.
